

Food Drive Donation Form

Thank you very much for your support of the AmpleHarvest.org Campaign.

While 49 million Americans (including one out of every four children under six years old) are hungry or are at risk of being hungry, 41 million gardeners across America grow food in home gardens - often more than they can use, preserve or give to friends. It does not have to be that way.

The AmpleHarvest.org Campaign enables these growers to share their garden excess with a local food pantry. Your donation to AmpleHarvest.org will be matched by Infinity Property & Casualty Corporation up to \$5,000 - doubling the impact of your donation.
